

Name: _____

Client Design Makeover

Create a fictional client that is in need of a fashion makeover. Be sure to include what the person does for a living, hobbies, interests, their age and gender and what they are looking for in the makeover.

Answer the following questions to help you create your client.

Client Name:			
Age	Gender	Height	Ethnicity
Eye Color	Hair Color	Hair Length	Color Season
Body Shape/Silhouette	Face Shape	Career (or Student)	Hobbies/Interests
Reason for the Makeover:			

Using the information above, create your client's profile in the space below. Be as detailed as possible.

Client Profile: _____

Design Descriptions

After creating the client profile, create **TWO** designs that will meet the needs of your client. Write a brief description of the design and why it will flatter your client and meet their needs. Consider your clients body shape/silhouette, coloring, and reasons for the makeover while coming up with your designs. After describing both designs, sketch both designs for your client. Follow the guidelines for professional mounting of each design and include them in your portfolio.
