

Food Handlers Permit

OPTIONAL

Students enrolled in the Food and Nutrition I class have an exciting opportunity to earn a Washington County Food Handlers Permit through the Utah Restaurant Association (URA). Any student who earns a score above 75% on the Food Handler portion of the Unit 1 Assessment is eligible to receive this permit. It is valid for 3 years and accepted at most food service establishments throughout the county.

This permit requires a one-time \$20.00 fee paid to Snow Canyon Middle School.

Students must bring a receipt to the teacher after payment in order to receive their permit. Utah State and URA regulations require that the permit information be submitted within 48 hours of taking the test, therefore the fee must be paid and processed in advance. Students may retake the test if desired, but it must take place within the 48 hour testing window.

For more information, please visit: <http://www.utahdineout.com/index.php/training/food-handlers-permit> or feel free to contact the teacher at:
